Obtain your html code and paste it to your site

Description

After setting-up your product, find it in "My Products List"

Procedure

Follow this process to obtain the html code:

Steps	Action
7	<p>HiPay Mobile generates a ready-made html code that you can simply copy and paste in your purchase page:</p>  <p>The screenshot shows the HiPay Mobile interface. On the left is a dark sidebar with navigation icons. The top navigation bar includes the 'hipay mobile beta' logo, a search icon, and links for 'Previous Version', 'Start tour', and 'Select site'. The main content area is titled 'PRODUCTS' and features a 'SUBSCRIPTION SCRIPT' section. This section provides instructions on how to integrate the script and includes a 'SUBSCRIPTION' button. The code for the script is displayed in a text area, showing the full page URL and the iframe script format. A 'SUBSCRIPTION BUTTON' section also provides code for a button. At the bottom right of the code area, there is a blue 'all pass ABONNEZ-VOUS' button.</p>
